

Be the Hero. Fight Hunger.

The weekend of March 20-22

Minnesota FoodShare's March Campaign helps 300 food shelves statewide keep their shelves stocked throughout the year. Do your part to support this effort by packing the pews with donations for your local food shelf.

Pack the Pews

- Join forces with congregations across the state.
- Pack your pews with bags of non-perishable food items.
- Support your local food shelves and Minnesota FoodShare's March Campaign.
- Take up a special collection for the Minnesota FoodShare March Campaign, 100% of which is distributed to foodshelves.
